**Re: South Bay Bistro Management Company**

Dear Sir or Madam:

As we discussed today, the reinstatement paperwork that was filed yesterday with the Division of Corporations for the above referenced corporation is apparently being sent back to CSC because the request for waiver of fees is deficient.

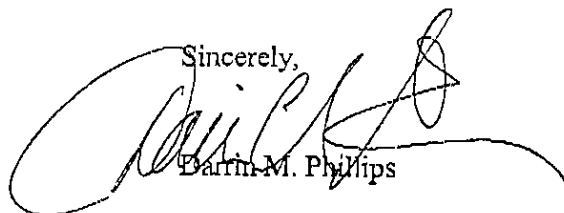

Be advised that that the corporation did complete and submit the Uniform Business Report for 2002, along with a check for the filing fee in the amount of \$158.75. In fact, the check was cashed subsequent to the time the report was filed. Apparently, the report did not contain the necessary federal employment identification number. You informed me that the Division of Corporations sent rejection letters on May 20, 2002 and June 17, 2002. However, the letters were never received at the corporation's mailing address. We therefore request that you waive any late fees for reinstatement.

Our check in the amount of \$158.75 for the annual fees for 2003 has been provided in the previous paperwork filed yesterday by CSC.

Should you have any questions or require further information, please do not hesitate to contact the undersigned directly.

Thanking you for your attention to the above, I am

Sincerely,

Darrin M. Phillips
