B. Preferred Stock

- (1) Authority is hereby vested in the Board of Directors of the Corporation to provide from time to time for the issuance of Preferred Stock in one more series and, in connection therewith, to fix by resolution providing for the issue of such series the number of shares to be included and such of the designations, powers, preferences and relative participating, optional or other special rights and the qualifications, limitations and restrictions of such series, including without limitation, rights of redemption or conversion into Common Stock, to the fullest extent now or hereafter permitted by the Florida Business Corporation Act.
