To whom it may concern

Please excuse me, before I have the audacity to say I didn't receive any notice, that mean the second notification of any sort, I have searched and search and I had help by son and friends to search for any evidence that I received that notification that is, we kept searching for days and hours, so far we are out of luck. I did not disregard any written document or paper or card until this weekend I just disregard some of the advertising papers with expired dates. Therefore I can say honestly that I did not received the 2nd second notice or any way shape or form and I never had any contact by anyone about such Please, I am begging of you to take <sup>that</sup> in consideration, Thank you much. Please I can be reached at (305) 525-3344 at anytime I never receive the second notification for annual report for the year 2005. Please I made a request to reinstate the corporation for me Please.
