Re: Request for Waiver of Reinstatement Fee

Dear Sir or Madam:

This letter accompanies our application for reinstatement of WebGeek, Inc. as a corporation in good standing. We are requesting a waiver of the \$600.00 reinstatement fee based upon non-receipt of our UBR forms in 2001.

Our company faced several unexpected relocations during the times that the forms should have been received. We first lost our lease on the 1225 Tamiami Trail property when the unit was sold unexpectedly. We transitioned to another space in the same commercial condo for a period of less than 2 months. We were forced to leave this space after the local building department refused to grant a certificate of occupancy, based on the presence of an illegal second floor addition. The landlord was apparently unaware that this space had not previously been permitted before we attempted to occupy the space. We then were forced to temporarily relocate our company to space in our home, until we recently secured our current, appropriate, corporate office space.

During this time, especially in the transition into and out of the thwarted space rental, our mail was interrupted, returned, undelivered, and mis-delivered on a regular basis.

Now that we are firmly established in our new, stable office environment, we are taking every step necessary to place our company in proper standing with all agencies. We ask that you grant this waiver request accordingly.

Sincerely,

Ann Navarro

President, WebGeek, Inc.
