RE: 2001 UBR for Florida Beauty Club, Inc.

Dear Sir or Madam:

I was instructed by your office to send a letter as to why I was delayed in sending the 2001 UBR for Florida Beauty Club, Inc. I had just realized this week that I had never received the 2001 UBR form from your office. So I called your office and they said they had sent it out but it had been returned by the Post Office.

I could not understand why, until the lady told me that the address they were sending it to was 7599 Oakland Park Blvd (see attached). This is incorrect, it is 7559 W. Oakland Park Blvd.,. Apparently the address was incorrectly inputted into the computer and did not realize it until now since the corporation was only formed in 2000.

Therefore, I am requesting a "one-time waiver" on the higher annual fee due to this incorrect address. As you can see I have tried to remedy this situation. Enclosed please find the UBR that I had to download on the internet, and the check for \$150.

I was told if your office receives this by this Friday September 21, 2001, you would still be able to reflect the corporation as Active. Therefore, I have paid additional monies to send it Fed Ex. Should you have any questions, I can be reached at (954) 421-4728. Thank you.

Sincerely,

Bob Huddleston
