Dear Sir or Madam:

Just on Friday I received a little money to start this business, upon interviewing accountants I was told that even though my business hasn't started yet I still had to file.

I hadn't spent or received any money until Friday last week. Friday I spent money at a tool shop to start to build my mold. I hope that you can accept this payment for money is very limited and my company is at a fragile stage.

Sincerely,

*Taylor Edwards*
