RE: Delinquent License Report

I have a very small S Corporation in the State of Florida and this year I failed to submit my Corporation Report in a timely manner. I really thought I had completed this via internet but when I ran across this form in my stack of mail to be filed away, I researched this on the internet and found it showed no filing.

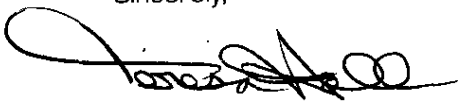

There is no real excuse for this other than this is a very small corporation and I am the President, however, during the first 4 months of the year I also work doing Income Taxes so due to the hours I work I probably had intentions of filing but just failed to do so.

I don't do a lot of business in my Corporation during that time of year and I can only say it was my mistake and I ask that this one time you waive the additional \$400.00 fee for late filing. I will make sure that this never happens again. As I stated this is a very small corporation with a yearly profit of about \$15,000 and I really can't afford the extra \$400.00 to file at this time. I have to work other jobs just to make ends meet.

Enclosed is the \$158.75 fee and hopefully you can see your way clear to allow me this waived fee for this year. I have put this on my corporate calendar to make sure it is done the first of January. Honestly, I did not know until I called today that I could do this as early as January 1 of each year.

Thank you for your patience in this matter.

Sincerely,

Teresa Hall
President
