To whom it may concern,

August 17, 2001

Friday, August 16, we received this 2001 UNIFORM BUSINESS REPORT and immediately called the telephone number in the brochure. This is our first experience with the corporation registration process. Unfortunately, this is the first notice we have received regarding the renewal. We wished to reply immediately, were shocked to find out that we should have received our first notice in January, and paid at the latest by May 1, 2001. The lady in your office explained very clearly our responsibility, and we assure you that in the future we will be aware of the dates for renewal and respond appropriately and on time.

We hope that you will make an exception and accept the \$150.00 registration fee enclosed. At this time in our business, the additional fine for late payment would provide a hardship since, due the filing requirements of all the individual licenses, we have not been able to earn one cent so far.

Thank you in advance for your attention and consideration. We promise to be on time in the future.

Sincerely

Lee Stacy
