Re: P00000036391
BUDMIN Pools, Inc.

To Whom It May Concern:

I just received a notice from your department stating that my forms were not filled out properly. I didn't put any information in the boxes because I understood it to mean that if there were not any changes or deletions to the directors/officers then I was to leave it blank because you already have the original information on file. I went ahead and put our names and titles on your sheet (I had already attached the information on a separate sheet which you also sent back.) As far as the late fee, I filed this before it was due and because I miss understood your form (I had also called and had someone go over what I need to do) I don't feel I should have to pay an additional \$250.00. I would have responded sooner but I was out of the state for several weeks due to family health matters in Michigan and I had assumed that this was all taken care of before I left.

Please process this form accordingly and if there is anything else needed please don't hesitate to call the above number. Thank you in advance for your considerate help with this matter.

Sincerely,

Mendi Willis-Smith
President
