Uniform Business Report

To whom it may concern:

This letter is to inform your office that Marica Trucking, Inc. (FEI Number 65-1002482), did not receive the first notification from your office for the filing of my Uniform Business Report. In the past we have always filed this form and paid the fee as soon as we received the forms, unfortunately, still to date, we have not received the first filing forms. When we received this notification stating that this is our second notification, I was beyond myself to see that my company is being charged an additional \$400.00 in late fees, knowing that the first notification never reached me. I would think that a document of this type of importance would be sent to company certified mail, especially since it carries such extreme penalties (\$400.00) for it being returned late, that way it is sure to have a receipt date and the person who received it signature. It's been proven that U.S. mail has been lost or mixed up on a regular basis. I have been advised by your department to write this letter and request that the late fee be waived, considering the circumstance and that we have never been late in the past.

I am enclosing my filing fee of \$150.00 for the Uniform Business Report fee. This second notification was received 7/28/03 via U.S. postal mail, regular delivery.

Thank you.

Best regards,

Erica Aquart, President
