Dear Sir/Madame:

Please find enclosed the annual report for the above referenced corporation along with a check for \$150.00. As you will note this is the second notice. This being the first year for the corporation, Messrs. Coldiron and Freeman were not aware they needed to file an annual report with the state. On Thursday, August 2nd, 2001 the taxpayers contacted our office immediately upon receiving a second notice from the State of Florida, which of course put them in a late filing situation.

As you will also see the registered agent was not either one of the Directors/Officers and did not receive the first notice as it was sent to the company's registered agent's office and was not notified of such report that needed to be filed. We respectfully request that you rescind the penalty due to the circumstances that were out of the company's control. Please direct your response to Tropical 26th Street, Inc..

If you should need any assistance regarding this matter, please do not hesitate to call me.

Sincerely yours,

Benjamin Roche
