Division of Corporations Uniform Business Report Filings P.O. Box 1500 Tallahassee, FL 32302-1500

Dear Sirs/Ms.,

Eighteen months ago I had my right hip replaced resulting in permanent damage to my sciatic nerve. As a result, I have suffered intractable pain for almost 18 months. For relief I am under the care of a pain doctor and numerous round the clock medications including oxycontin (40mg bid') dilaudid (4mg prn,) daypro, lexapro and so on. Most of the time I function on a minimal basis, and often times even below that. My memory is essentially non-existent, and unless something is placed right under my nose, I will not see it, let alone try to imagine it. For this reason I have given up the practice of medicine, and rely on a disability check. The company which I had such high aspirations of making work has never turned a profit and I merely exist on a day to day basis.

Recently a friend of mine sent me a copy of his URB and it made me realize that the deadline for filing had already passed, and I never received an official form in the mail. I called the Division of Corporations and spoke with an individual who suggested that I send \$150 along with my explaination. As instructed, I am doing this along with offering my apologies for being late, and ask for your understanding.

Thank you in advance for all your consideration.

Very truly yours,

Mark Collins, MD, MBA
