Because I could not reach you by phone, and to avoid a delay in filing your articles, I took the liberty of correcting Article _____ of your document.

The correction that I made was I added the title Registered Agent under the signature of the incorporator. The registered Agent did not sign where it was indicated in Art. III but by adding the title below the one signature the signature will take care of both Incorporator + Registered Agent. If this does not meet with your approval, please call 850-487-6924 immediately upon receipt so that we can make the necessary corrections.

I also removed the signature line where RA should have signed.

Thanks,
S. Thompson
