To Whom It May Concern:

Recently I received what is apparently a second notice for the 2001 Uniform Business Report. My business has only been incorporated for a little over a year, so when I did not realize that these reports have to be filed every year. As for the first notice, I can only guess that it possibly got mixed up with the mail that has been forwarded from my house to my ex-wife. I do not recall ever seeing it.

I have called your office and been told to explain this and to include a check for the original amount of \$150.00. If there are any other problem or questions, please call (727) 726-9434.
