Dear Sir/Mam;

As per my previous letter sent and attached here, I did not receive the original renewal. I have re-enclosed the check and the completed forms.

Thank you in advance for your assistance in processing this.

Sincerely Yours,

Dear Sir/Mam;

I received the "Notice of Intent" after having thought I filed online. Initially I did not receive a renewal form. I went online and could not download the form so not only did I renew online I also changed my address online. I remember checking back twice online to make sure it went through and I got a message saying I could not go back on because the form was already completed, so I thought it was done. In addition, I changed my address at the same time which apparently went through because I received the recent postcard at my new address. In addition, I cannot download the form today when I go online so I am mailing this note and my check in the hopes you receive this and that my credit card is not being charged as well for the online transaction.

Thanks for your assistance in this matter.

Sincerely Yours,

Laura A. Cohen, PhD
