Division of Corporations
Uniform Business Report Filings
409 E. Gaines Street
Tallahassee, FL 32399

To Whom It May Concern:

In May, I received a Uniform Business Report document from the Division of Corporations with our business name and address, but with a different corporate number and officer name. I called because the deadline for payment was close and I did not want any penalty. I was told to discard the document and was assured that I would receive a corrected version. The exact words to my inquiry to the deadline were, "No, you are fine." I admit to not being well-versed in corporate document filing, which is why I called the office for help. When I received the document, it included a substantial late fee.

In speaking with an accountant, he insisted we contact you and communicate the situation. I sent an e-mail and received a prompt response requesting this letter and a completed UBR form with a check for \$150. I have attached the e-mail as additional information.

If you have further questions on this matter, please call (321) 733-7481.

Regards,

Caroline Kempf
