RE: T-Electronics, Inc.
P00000047917

Dear Ms. Harris & to whom this may apply;

Enclosed is a notice of administrative dissolution or revocation on the above stated company and a check in the amount of \$150.00 payable to the Department of State.

The taxpayer incorporated in the year 2000, so this Annual Report was the first report due by this corporation. The sole shareholder was unfamiliar with this fee beforehand, this not being the cause for not timely filing but rather the fact that the taxpayer never received the original UBR which was due by May 2001. We're not sure whether you mailed the report at all or whether the local postal service failed to deliver it properly.

The fact that the taxpayer received this second notice is not proof that he received the first. It is proof of the taxpayers shock that the state could penalize him for something that was caused by the state or the postal service and through no either action or inaction of his own.

We now ask that you accept this payment in full satisfaction and that you reexamine the method in which notice is given originally to the fee due.

Thank you in advance for your cooperation and expect a positive reply to the above request.

Sincerely,

Robert H. Schoepf, P.A.
