Dear Sir or Madam:

This is the second letter I have written about the problems my company has had filing our annual report. I ask that you please assist us in gaining back our status as a corporation. In October we received a notice that our corporation was being dissolved due to not filing the annual report before May. I immediately called to find out what we needed to do in order to get reinstated and why we never received this form from the state. A representative confirmed that the UBR form was sent to 4541 Arble Dr. which is the home address on one of our officers. Its was not sent to 1008 Fountain Rd. which was our business address. Needless to say we never received this document which is why this delay in filing has occurred.

Since then I filled out the UBR and enclosed a check in the amount of \$150.00 and mailed it to your address I have listed above. Your department mailed everything back to me because the application was not filled out properly and explained how to correct it. Corrections were then made by myself and promptly returned to your department.

After speaking with a representative named Barbara on 1-7-02 she showed that your department never received the corrected information and that I need to resubmit the application and explain the situation as well as enclosing a check for \$150.00.

I will close by asking that your department please reinstate us as a corporation and that we not be penalized for the delay. This would been handled in May if we would have initially received the proper documentation and we would never let something as important as this lapse. Im sure your records note that it was sent in October and that you mailed in back for corrections. The problem now is that you have not received the corrections that were made. Any help you can offer regarding this matter would be greatly appreciated

Sincerely & Respectfully,

Dan Marini - Vice President
