Dear Postal Customer:

The enclosed was found to be either loose in the mail or damaged in handling at this Postal Facility.

We are fully aware that the mail you receive is important to you. Realizing this, each employee at the Fort Lauderdale Post Office is making every effort to expeditiously handle, without damage, each piece of mail that they have been entrusted with. Nevertheless, an occasional mishap will occur.

This facility handles an excess of three million pieces of mail daily. Therefore, it is necessary that automated and mechanical systems be employed by the Postal Service to ensure our customers of prompt and efficient delivery of their mail. At times, a malfunction will occur which inadvertently damages the mail. We are constantly working to improve our processing methods so that these incidents will be eliminated. You can help us greatly in our efforts if you will continue to properly prepare and address each letter or parcel that you enter in the mail stream.

We appreciate your concern and sincerely regret any inconvenience you may have experienced as a result of this occurrence.
