To whom it may concern,

I would first like to apologize for allowing my Incorporated status to go delinquent. I know it is my responsibility to make sure this is up to date. But I must tell you that I had no idea I was behind, for I get so many things that I assumed I was up to date with all the proper compliances. When I opened my business in 2000, I was living in Boynton Bch, FL. I soon after moved out, on somewhat bad terms with the person at that address. She then proceeded to throw out mail that was coming there in my name or the business name, I thought I had contacted all the proper agencies connected with me or my business and yours was an oversight. In hindsight I realize that I should have put in for a change of address, but with all that was going on at that time and with having a new business, I was trying to contact those that I was aware of to keep my credit and creditability intact. I realize it was a huge oversight on my part and assure you it will not happen in the future, for I have been in contact with your office and I am aware that dues are due on January 1st and delinquent after May 1st. I have marked my calendar accordingly. Thank you for taking the time to consider my request to waive the \$600.00 reinstatement fee. Below please find my permanent address and contact # should you need to reach me on this or any other matter. Also enclosed is my corporation reinstatement application, along with a check in the amount of \$450.00 which I was told to include to bring me up to date.

Again Thanks,

Salvatore J Fusco Jr
