SUBJECT: Corporate Status

In February of 2001, Millennium 2000 filed its taxes with the James Moore Company. Since this company specializes in small businesses we decided to use them for the corporate taxes also. During the month of May, 2001, I moved to a new address. I turned in what I thought was the appropriate materials by the end of May 2001. As stated below and shown on the attachment. Unfortunately, due to two unexpected events, the filing status with the Department of State has failed to meet the deadlines. The CPA at the James Moore Company placed my status as corporate officer in the wrong section of the form. I have placed the appropriate information in section 12, according to a phone conversation with one of the division employees in June, 2001. In fact, there is no change in status. The CPA may have been confused or in a hurry when filling out this form. I did not receive this notice until June because of the move. I apologize for the delay in filing the Uniform Business Report. If you have any further questions, please contact me at 251-2852, or my CPA at the James Moore & Co., at 386-6184.

Once again, I apologize for the delay in filing this very important document with your office. Please feel free to call me with any further questions.

Sincere Thanks,

Thomas "Don" Waters
President and CEO
