To whom it may concern:

We are a relatively new corporation, struggling in these uncertain times of recession, to financially keep our heads above water. This summer, much of administration paper work has fallen behind, because I John M. Gallagher, President, whom accepts full responsibility for this mis-step, had a heart attack and the birth of our first child which kept me away from the day to day operations of filing much of our paper work in a timely fashion. I can prove all this with medical records if needed. On our behalf, I would like to point out that we always have filed our state sales taxes on time, paid in full, as well as our federal tax. I furthermore, would ask that if you check our records of violation for any of these codes you will find no violations. I am asking for mercy in this understanding and that in light of the financial struggles we are fighting to keep this business going and continue to be a productive tax generating entity, that you please waive the penalties and reincorporate us for the \$ 150 fee. I called your office regarding this matter recently and spoke with a Michelle Millisa (I hope I have the spelling right) and she explained that this is the procedure we should follow. Again, I apologize for not getting this original notice, which I never saw due to medical reasons and promise we will pay our yearly registration fees on time for now on.

Sincerely,

President Palm Harbor Truck & Auto
