Re: 2001 Uniform Business Report

I sent two letters to your office explaining that I had never received the initial package for renewal for either corporation mentioned above. I can only assume that these were lost in the mail. Upon recognizing that the deadline was near or passed I down loaded the appropriate forms from the Internet and mailed them to you with a check for each of the corporations. Much to my surprise I kept getting form letters back telling me to mail in a penalty of \$400 additional dollars per corporation. This time I called you offices and explained the situation to a representative. I was told that your offices received no letters. I explained that I had sent in two letters on two different occasions. Regardless they had no record of the letters and therefore were unable to read them to assist with reviewing the case. I was directed by your office to resubmit these letters and the case would then be reviewed. I have attached the two previous letters for you assistance.
