Secretary of state, Dept. of Corp.

Dear Sir or Madam:

I want to thank you in advance for your careful consideration on the matter I need to address.

I am no expert at setting up a corp., and had lawyers do it for me. The address on my paperwork was not correct. Therefore, when the letters were sent to me, I did not get them, therefore I did not even know the corp. was active. Also same reason I never received a letter for anyone about the uniform report. When by chance, quite recently, I found that this corp. was set up. And I have been trying to get an employer id # I thought had to be on this form. I made a call today to your office, and was advised to go ahead fill out the form, accompany it with this letter.

I would very much appreciate someone looking into excepting my check for the original fee of \$150.00 for what should have been done in the beginning. I realize it is not your office's fault this happened and I do not look for someone to blame. I just look to correct the problem and move on. You will notice that I just recently applied for an ein # and have not even had the certificate in my hands until yesterday. So please review this and let me know what I can do. For if I would have to pay the \$450.00, then it would be far less expensive to start over.

If this can not be done, then please return my enclosed check and I will start over.

Sincerely, yours

**Jesse Huseman
