To Whom It May Concern:

I recently incorporated June 1, 2000 at the advice of my sister. She is a lawyer and said it would be a good idea. At the time she was working for the State of Florida in the tax department, she then took another job with NCR in Ohio.

I thought every thing was ok. I got a notice in May stating that I owed a lot of money. I called my sister and she said she forgot to tell me. I finally called a lady in this department today and she said that I should have got a notice in January. This would have been easy to pay because it was during wedding season. The reason I delayed, after receiving the notice in May, is that it is a whole lot of money. My accountant charged me double this year, half for the first half and half for the corporate return.

I am sorry that I didn't understand the articles of incorporation better. The lady with the state said I could try to send in the \$150, which I'm doing. With the slower economy, I'm just trying to stay in business at this point.

Anyways, I appreciate your consideration in this matter and will be looking to sending this form right out next January.

Sincerely,

Tom Lynch
