To Whom It May Concern,

I incorporated in July of 2000, during that time the accountant who did the incorporation did not explain to me that I would have to file this UBR every year and send in money. I was honestly under the belief that the process was finished, I am severely disabled with Hepatitis C and have spent most of my time at various doctors etc. and was unaware of the filing rules. Right now all I can afford to pay is the \$150 yearly fee which I have enclosed a check for. It was explained to me to write to you on this manner and you may be able to waive the penalty fee for this first mistake. I was under the impression all correspondence regarding this incorporation would go to my home address as president of the corporation which is listed on your website and is 250 Lyndhurst St, Dunedin, FL 34698. I am applying for permanent disability and have little money to spare. If you could please give me every consideration on waiving this fee and change my principal place of business to my home address from now on this mistake will never happen again I can assure. I am not in a position to pay out \$550 right now, I am enclosing the fee in the most sincere hopes you will please waive the late penalties

- Yours Daniel Rease
