To: Division of Corporations,

We are sending you this letter because we moved from a previous location and due to the address change we never received the paperwork to file for our company's annual report. We were supposed to receive it in the mail but since we moved we never did receive it.

I called and spoke to one of your representatives and they told me that I could download the annual report form off of the web. I was not aware of that until now. This was the cause of our annual report being filed late.

We apologize for this is our first year in business and we were not aware of the annual report filing procedures. I guess you can say we are still in the learning process of running a business.

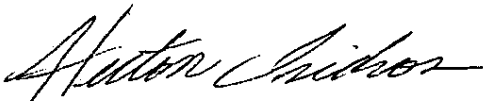

Our company also just found out about the \$550.00 late fee implications for filing our annual report after its May 1st due date. This was something else that we were not aware of. We sincerely ask the Division of Corporations if you could please forgive our tardiness with filing our annual report late and if there could be some leniency and consideration of our unawareness. Having to pay the full \$550.00 late fee instead of the original \$150.00 would be a very unexpected financial burden to our business.

P.S. We have enclosed a company check in the amount of \$158.75 to resolve the filing of our annual report and to also receive a copy of the certificate of status. We dearly appreciate all of your help concerning this matter.

Thank you,

Sincerely,

Hector Isidron

President/Owner
