ARTICLES OF AMENDMENT TO THE
ARTICLES OF INCORPORATION
CERTIFICATE OF THE DESIGNATION,
PREFERENCES, RIGHTS, AND LIMITATIONS OF
SERIES A PREFERRED STOCK**

12 JAN -0 0410:50

The undersigned Chief Executive Officer of First Home Bancorp, Inc., a corporation organized and in active status under the laws of the State of Florida, does hereby certify that the Board of Directors of the Corporation, in accordance with the Articles of Incorporation and Bylaws of the Corporation and Section 607.0602, *Florida Statutes*, adopted a resolution on October 1, 2018, creating a series of ten thousand (10,000) shares of preferred stock of the Corporation designated as "Series A Preferred Stock," with the following relative preferences, rights, and limitations. These Articles of Amendment were adopted by the Board of Directors of the Corporation and shareholder approval was not required.

As used herein, capitalized terms not otherwise defined herein shall have the meanings provided in Section 9 hereof.

SECTION 1. NUMBER OF SHARES; RANKING.

(a) The number of authorized Series A Preferred Shares is ten thousand (10,000) shares. No fractional Series A Preferred Shares shall be issued.

(b) Any Series A Preferred Shares which at any time have been redeemed or purchased by the Corporation shall, after redemption or purchase, be returned to the status of authorized but undesignated and unissued Preferred Shares, until reclassified by the Board of Directors.

(c) The Series A Preferred Shares shall rank on a parity with shares of any other series of Preferred Shares as to the payment of dividends to which the shares are entitled and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Corporation, unless the terms of such other Preferred Shares provide otherwise.

(d) No holder of Series A Preferred Shares shall have, solely by reason of being a holder, any preemptive right, or, unless otherwise determined by the Board of Directors, other right to acquire, purchase or subscribe for any Preferred Shares, Common Stock or other securities of the Corporation which it may hereafter issue or sell.

SECTION 2. DIVIDENDS.

(a) The holders of Series A Preferred Shares shall be entitled to receive quarterly cumulative cash dividends, when, as and if authorized by the Board of Directors and declared by the Corporation, out of funds legally available therefor, at the rate per annum equal to the Applicable Rate (or the Default Rate), and no more, payable on the respective dates determined as set forth in paragraph (b) of this Section 2. Dividends on Outstanding Series A Preferred Shares shall accumulate from the Original Issue Date.

(b) (i) Dividends on the Series A Preferred Shares shall be payable quarterly when, as and if authorized by the Board of Directors and declared by the Corporation beginning on the first Dividend Payment Date following the Original Issue Date and with respect to any Dividend Period thereafter on the Dividend Payment Date.

(ii) Each dividend on Series A Preferred Shares shall be paid on the Dividend Payment Date therefor to the holders as their names appear on the share ledger or share records of the Corporation at the close of business on the fifteenth (15th) day of the Dividend Period relating to such Dividend Payment Date (or if such day is not a Business Day, the next preceding Business Day). Dividends in arrears for any past Dividend Period may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the holders as their names appear on the share ledger or share records of the Corporation on a date, not exceeding fifteen (15) days preceding the payment date thereof, as may be fixed by the Board of Directors. No interest will be payable in respect of any dividend payment or payments which may be in arrears.

(c) (i) A "Default Period" will commence on the day following the Term Redemption Date, if the full amount of any redemption price payable with respect to any redemption required hereunder shall not have been paid to the holders. A Default Period shall end on the Business Day on which, by 12:00 noon, New York City time, any unpaid redemption price shall have been paid to the holder. For each day during the Default Period, Applicable Rate shall be increased to the Default Rate.

(ii) The amount of dividends per share payable on each Dividend Payment Date of each Dividend Period shall be computed by multiplying the Applicable Rate (or the Default Rate) for such Dividend Period by a fraction, the numerator of which shall be ninety (90) and the denominator of which shall be three hundred sixty (360), multiplying the amount so obtained by the Series A Preferred Shares Liquidation Preference Amount, and rounding the amount so obtained to the nearest cent. Dividends payable on any Series A Preferred Shares for any period of less than a full quarterly Dividend Period, including in connection with the first Dividend Period or upon any redemption of such shares on any date other than on a Dividend Payment Date, shall be computed by multiplying the Applicable Rate (or the Default Rate) for such period by a fraction, the numerator of which shall be the actual number of days in such period and the denominator of which shall be three hundred sixty (360), multiplying the amount so obtained by the Series A Preferred Shares Liquidation Preference Amount, and rounding the amount so obtained to the nearest cent.

(d) Any dividend payment made on Series A Preferred Shares shall first be credited against the earliest accumulated but unpaid dividends due with respect to such Series A Preferred Shares.

(e) For so long as the Series A Preferred Shares are Outstanding, except as contemplated herein, the Corporation will not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Shares or other shares of capital stock, if any, ranking junior to the Series A Preferred Shares as to dividends or upon liquidation) with respect to Common Shares or any other shares of the Corporation ranking junior to or on a parity with the Series A Preferred Shares as to dividends or upon liquidation, or call for redemption, redeem, purchase or

otherwise acquire for consideration any Common Shares or any other such junior shares (except by conversion into or exchange for shares of the Corporation ranking junior to the Series A Preferred Shares as to dividends and upon liquidation) or any such parity shares (except by conversion into or exchange for shares of the Corporation ranking junior to or on a parity with the Series A Preferred Shares as to dividends and upon liquidation) unless (1) full cumulative dividends on the Series A Preferred Shares due on or prior to the date of the transaction have been declared and paid, and (2) the Corporation has redeemed the full number of Series A Preferred Shares required to be redeemed by any provision for mandatory redemption contained in Section 3(a) (without regard to the provisions of the Special Proviso).

SECTION 3. REDEMPTION.

(a) The Corporation shall redeem all Outstanding Series A Preferred Shares on the Term Redemption Date (subject to the Special Proviso). At any time after the third anniversary of the Original Issue Date, the Corporation shall have the right, but not the obligation to redeem any portion of the Outstanding Series A Preferred Shares ("Optional Redemption").

(b) In determining the Series A Preferred Shares to be redeemed in accordance with this Section 3, the Corporation shall allocate the number of shares to be redeemed pursuant to this Section 3 pro rata among the holders of Series A Preferred Shares in proportion to the number of shares they hold or by such other method as the Corporation shall deem fair and equitable. The Corporation shall not effect any redemption if the Corporation (1) does not have funds legally available for the redemption of, or (2) is not legally permitted to redeem or is otherwise prohibited from redeeming pursuant to any other agreement or instrument relating to or evidencing indebtedness of the Corporation, the number of Series A Preferred Shares which would be required to be redeemed by the Corporation under this Section 3 if sufficient funds were available (the foregoing provisions of clauses (1) and (2) being referred to as the "Special Proviso"), the Corporation shall redeem those Series A Preferred Shares on the earliest practicable date on which the Corporation will have such funds available and is otherwise not prohibited from redeeming pursuant to any other agreement or instrument relating to or evidencing indebtedness of the Corporation or other applicable laws, upon notice pursuant to Section 3(d) to record owners of the Series A Preferred Shares to be redeemed and the Corporation will pay to the holders funds sufficient to redeem the specified number of Series A Preferred Shares with respect to a redemption contemplated by Section 3(a), by 3:00 p.m., New York City time, on or prior to the Term Redemption Date or the Optional Redemption Date.

(c) On the Term Redemption Date or the Optional Redemption date, the Corporation shall redeem the Outstanding Series A Preferred Shares to be redeemed at the Series A Preferred Shares Liquidation Preference Amount plus an amount equal to all accumulated dividends thereon (whether or not earned or declared but without interest) to the date payment of such distribution is made in full accumulated but unpaid dividends and distributions thereon (whether or not earned or declared by the Corporation, but excluding interest thereon).

(d) In the event of a redemption pursuant to Section 3(a), the Corporation shall deliver a Notice of Redemption containing the information set forth below to the holders of Series A Preferred Shares to be redeemed not more than 40 days prior to the Term Redemption Date or the

Optional Redemption Date, as applicable. The Notice of Redemption will be addressed to the holders of Series A Preferred Shares at their addresses appearing on the share ledger or share records of the Corporation. Such Notice of Redemption will set forth (1) the date fixed for redemption, (2) the number and identity of Series A Preferred Shares to be redeemed, (3) the redemption price (specifying the amount of accumulated dividends to be included therein and the amount of the redemption premium, if any), (4) that dividends on the shares to be redeemed will cease to accumulate on the date of redemption, and (5) the provision of these terms of the Series A Preferred Shares under which redemption shall be made. No defect in the Notice of Redemption or in the transmittal or mailing thereof will affect the validity of the redemption proceedings, except as required by applicable law.

(e) Notwithstanding the provisions of Section 3(a), but subject to Section 5(b), no Series A Preferred Shares may be redeemed unless all dividends in arrears on the Outstanding Series A Preferred Shares and all shares of capital stock of the Corporation ranking on or above a parity with the Series A Preferred Shares with respect to payment of dividends or upon liquidation have been or are being contemporaneously paid or set aside for payment; *provided, however*, that the foregoing shall not prevent the purchase or acquisition of all Outstanding Series A Preferred Shares pursuant to the successful completion of an otherwise lawful purchase or exchange offer made on the same terms to, and accepted by, holders of all Outstanding Series A Preferred Shares.

(f) Upon payment to the holder of funds sufficient to redeem the number of Series A Preferred Shares to be redeemed on or prior to the date fixed for redemption, dividends on such shares shall cease to accumulate and such shares shall no longer be deemed to be Outstanding for any purpose and all rights of the holders of the shares called for redemption shall terminate.

(g) To the extent that any redemption for which a Notice of Redemption has been given is not made by reason of the Special Proviso, such redemption shall be made as soon as practicable to the extent such funds become legally available or such redemption is no longer otherwise prohibited. Failure to redeem Series A Preferred Shares shall be deemed to exist when the Corporation shall have failed, for any reason whatsoever, to pay to the holders on or prior to the date fixed for redemption the redemption price with respect to any shares for which such Notice of Redemption has been given in accordance with Sections 3(a) and 3(b) hereof. Notwithstanding the fact that the Corporation may not have redeemed Series A Preferred Shares for which a Notice of Redemption has been given, dividends may be declared and paid on Series A Preferred Shares and shall include those Series A Preferred Shares for which Notice of Redemption has been given.

(h) Except for the provisions described above, nothing contained in these terms of the Series A Preferred Shares limits any right of the Corporation to purchase or otherwise acquire any Series A Preferred Shares at any price, whether higher or lower than the price that would be paid in connection with an optional or mandatory redemption, so long as, at the time of any such purchase, there is no arrearage in the payment of dividends on, or the mandatory or optional redemption price with respect to, any Series A Preferred Shares for which Notice of Redemption has been given.

(i) In the case of any redemption pursuant to this Section 3, only whole Series A Preferred Shares shall be redeemed, and in the event that any provision of the Articles of Incorporation would require redemption of a fractional share, the Corporation shall be authorized to round up so

that only whole shares are redeemed.

(j) Notwithstanding anything herein to the contrary, the Board of Directors may authorize, create or issue any class or series of shares of capital stock, including other series of mandatory redeemable preferred shares, ranking on, above, or below a parity with the Series A Preferred Shares with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Corporation.

SECTION 4. VOTING RIGHTS.

(a) Holders of Series A Preferred Shares shall have no voting rights, except as required by the FBCA. On such matters each holder of Series A Preferred Shares shall be entitled to one vote for each Series A Preferred Share held on each matter submitted to a vote of stockholders of the Corporation, and the holders of Outstanding Series A Preferred Shares shall vote as a separate class on all matters on which they are entitled to a vote.

(b) The foregoing voting provisions will not apply with respect to the Series A Preferred Shares if, at or prior to the time when a vote is required, such shares have been redeemed.

SECTION 5. LIQUIDATION RIGHTS.

(a) Upon the dissolution, liquidation or winding up of the affairs of the Corporation, whether voluntary or involuntary, the holders of Series A Preferred Shares then Outstanding, together with holders of shares of any Preferred Shares then outstanding ranking on a parity with the Series A Preferred Shares upon dissolution, liquidation or winding up, shall be entitled to receive and to be paid out of the assets of the Corporation (or the proceeds thereof) available for distribution to the holders of Series A Preferred Shares after satisfaction of claims of creditors of the Corporation and any distribution or payments due to holders of Preferred Shares higher in priority to the Series A Preferred Shares, but before any distribution or payment shall be made in respect of the Common Shares or with respect to Preferred Shares lower in priority to the Series A Preferred Shares, an amount equal to the liquidation preference with respect to such shares. The liquidation preference for Series A Preferred Shares shall be the Series A Preferred Shares Liquidation Preference Amount, plus an amount equal to all accumulated dividends thereon (whether or not earned or declared but without interest) to the date payment of such distribution is made in full. In determining whether a distribution (other than upon voluntary or involuntary liquidation), by dividend, redemption or otherwise, is permitted under the FBCA, amounts that would be needed, if the Corporation were to be dissolved at the time of distribution, to satisfy the Series A Preferred Shares Liquidation Preference shall not be added to the Corporation's total liabilities.

(b) If, upon any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the assets of the Corporation available for distribution among the holders of all outstanding Preferred Shares on parity with the Series A Preferred Shares shall be insufficient to permit the payment in full to holders the amounts to which they are entitled, then the available assets shall be distributed among the holders of all such outstanding Preferred Shares ratably in any distribution of assets according to the respective amounts which would be payable

on all the shares if all amounts thereon were paid in full.

(c) Upon the dissolution, liquidation or winding up of the affairs of the Corporation, whether voluntary or involuntary, until payment in full is made to the holders of Series A Preferred Shares of the liquidation distribution to which they are entitled, (1) no dividend or other distribution shall be made to the holders of Common Shares or any other class of shares of capital stock of the Corporation ranking junior to Series A Preferred Shares upon dissolution, liquidation or winding up and (2) no purchase, redemption or other acquisition for any consideration by the Corporation shall be made in respect of the Common Shares or any other class of shares of capital stock of the Corporation ranking junior to Series A Preferred Shares upon dissolution, liquidation or winding up.

(d) A consolidation, reorganization or merger of the Corporation with or into any corporation or other legal entity, or a sale or exchange of all or substantially all of the assets of the Corporation in consideration for the issuance of equity securities of another Corporation, trust or other legal entity shall not be deemed to be a liquidation, dissolution or winding up, whether voluntary or involuntary, for the purposes of this Section 5.

(e) After the payment to the holders of Series A Preferred Shares of the full preferential amounts provided for in this Section 5, the holders of Series A Preferred Shares as such shall have no right or claim to any of the remaining assets of the Corporation.

(f) Subject to the rights of the holders of shares of any series or class or classes of stock ranking on a parity with Series A Preferred Shares with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Corporation, after payment shall have been made in full to the holders of the Series A Preferred Shares as provided in this Section 5, but not prior thereto, any other series or class or classes of stock ranking junior to Series A Preferred Shares with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Corporation shall, subject to any respective terms and provisions (if any) applying thereto, be entitled to receive any and all assets remaining to be paid or distributed, and the holders of the Series A Preferred Shares shall not be entitled to share therein.

SECTION 6. NOTICE.

All notices and communications provided for hereunder shall be in accordance with these terms of the Series A Preferred Shares or by the FBCA for notices of stockholders' meetings.

SECTION 7. WAIVER.

To the extent permitted by Florida law, holders of a majority of the Outstanding Series A Preferred Shares, acting collectively or voting separately from any other series, may by affirmative vote waive any provision hereof intended for their respective benefit in accordance with such procedures as may from time to time be established by the Board of Directors.

SECTION 8. TERMINATION.
