Division of Corporations

Dear Sir or Madam:

I am writing this to try and clear up some confusion that I had about the Uniform Business Report. I am a college student and I started my corporation almost a year ago, and it is a one man operation that I do business as. I understand the importance of the Annual Report but did not understand that the Uniform Business Report was the same thing, therefore I passed the filing date off; I was totally confused about the report, what it was for and that I was to send in money to verify an address and name of the company. There needs to be a more clearly explanation of what this is for on the request packet. How can the average person know this?

I can send in the fee to file which is \$150, but I cannot afford to pay the state of Florida \$550. If you insist on this payment of \$550 I will have to shut down business as Firelabs, Inc. and no longer do business.

There is no way that I can afford to pay this much money!

Please assist in this matter and let me know what I should do and who to talk to.

Sincerely,

Jethro Senger
president, Firelabs,
Inc.

P.S. I spoke w/ a lady @ the Dept. of State,
she recommended to send the \$150 in
with this letter.

Please accept the check and waive the
late fee. There is no other way that I can
do this. Thank you.
