To Whom It May Concern:

After speaking with somebody at your department, they told me to attach a letter with a check for \$150.00 explaining myself for late filing.

Last time I filed this I changed the address of the company so I would get all the mail. I never received a letter for filing until I received this late notice.

Please withdraw our late filing penalty since I never received the first notice to begin with. Thank you for your attention to this matter and please make sure the address change on the company is changed.

Sincerely,

Iggy Santisteban
