To The State of Florida Department of State.

In January of this year, we filed our corporate report form with the payment. Your office has informed me that you received payment, and have cashed the check. Apparently the documents were returned to our office in April, as the Federal Identification Number was missing. Unfortunately we did not receive these, but instead, in October we received a statement dissolving the Corporation. I called your office in October, and they requested that I return the completed form with this letter ..

Yours
