To: Department of State, Division of Corporations  
From: Fredy Ortiz, President, Web Engineering Technology Solutions Incorporated

The purpose of this letter is to request the waiver be granted for not filing the Uniform Business report for Web Engineering Technology Solutions Inc due to not receiving the request for filing of the Uniform Business Report. I had no idea that I had to file these forms. I have one employee operation and operate out of my home which is a new development in Royal Palm Beach. I have had issues receiving other mail in the past. The reason I noticed that my company had not paid these file fees was because I called on 02/11/02 to request a certificate of good standing and was told that Web Engineering Technology Solutions had been deactivated due to not filing the UBR for year 2001 and 2002. The clerk informed me that I had to write a letter explaining why I had not filed and due to this issue that my re-instatement fee would be waived. I have included three checks one for URB for Year 2001, another for Year 2002 and one for a certificate of good standing for 8.75.

Note: I will ensure that these filing on performed on January 1 of every year in the future.

I appreciate your attention of this issue,

Fredy Ortiz  
President  
Web Engineering Technology Solutions Inc.
