Re: Rikor Corporation

Dear Ms. Brown:

After receipt of your letter dated June 23, 2000, I spoke with either you or someone else about the Division's rejection of Articles for the above-named company. As I recall, we discussed the fact that there was not an **active** corporation with the exact name and spelling, and I was told that my client could use the above-referenced name even though there were some similar names.

After being informed of the rejection and the conversation I had with the Division, my client still wants to use the name "Rikor Corporation". As of today, the on-line data base of the Division, at "sunbiz.org", shows that this corporation is registered and has been assigned a number, even though the signed articles are sitting on my desk as I write. I am enclosing them with this letter, and I trust that Rikor Corporation is or will be properly registered.

Sincerely yours,

Elsie C. Turner
