To whom it may concern,

Recently I received a renewal form from your division and after reading it realized I was being penalized for filing late. I was mailed this renewal form in July. I called and was told that it was my responsibility to file this form on time even though I did not have this form available to me. The gentleman explained what I must do in the future and told me to write this letter to your department and ask that you forgive the penalty this one time due to my lack of knowledge to what my responsibilities are in this matter. He also told me to forward a check in the amount of \$150.00. Thank you for your understanding in regards to my renewal for this current year. Please contact me if you need anything additional, again thank you.
