Dear Sir(s),

Our firm prepares the taxes, financial statements and related business documentation for the above-mentioned corporation which includes the annual report.

On March 3rd of this year, the sprinkler system in our office accidentally went off and flooded the entire office without there being a fire. Many forms, records & documents were completely soaked, destroyed or lost. The UBR 2001 of Amaury Lawn Service was one of these documents. It took months for all the items in the office to dry. We just recently found the UBR 2001. Since it is the fault of our office and a natural catastrophe plus the fact that my client was not aware of the renewal deadline since this is the first time for the renewal, I respectfully request that the penalty be waived in this case as it was not the fault of the taxpayer nor neglect. Please accept the \$150.00 renewal fee. I have attached the cover letter to show you these documents were soaked in water.

Thank you,

Richard F. Toro
