## Zenaida's Tours

10780 W Flagter St. #10 Miami, FL 33174 July 14, 2003

Division of Corporation PO. Box 1500 Tallahassee, FL 32302-1500

Dear Ms. Hood:

First of all, I would to apologize for not having paid on time the fee to file the profit annual reportuniform business report. I would like to inform you that I it was not my intention to be late on my payment.

I have recently moved my operations to a new address. My business in a one-person operation. Therefore, it has been very hectic trying not to affect the customers service, and at the same time, organizing the new office. Unfortunately, I did not receive the letters reminding me of the dues, due to the change of address. Therefore, I thought I had sent it already. Two weeks ago I was checking on the corporation file and realized I had not sent the payment yet. Then, I proceeded immediately and sent the check.

This is my third year of operation, and I have not produced a profit yet. I would really appreciate if you would consider waving the late fee or reducing the amount.

In the event that you cannot waive the fee, I would understand and proceed with the late-fee payment.

I would appreciate if you let me know if you could help me.

Thanks your help,

Sincerely,

Zenaida Guerra Owner of Zenaida's Tours
