To Whom It May Concern:

Enclosed, please find our check for \$150.00. I regret that this payment is so late. I did not receive the first form until I went through my mail upon my return recently from an extended trip abroad. This being my first time having ever been in business in Florida, I was not aware of such a form to be concerned that I had not received it much earlier in the year. When I visited with my accountant last week, he informed me that this form should have been received and sent in months ago.

I sincerely apologize for not having been aware of this form and hope you will forgive the penalty itiis one time. I do not know why I did not received the earlier form, but will not be sure to list on my calendar, each period this form is due and notify you should I not receive it another time. In all honesty, it is quite possible that during the construction of my office, this form did arrive but was misplaced oxinadvertently discarded as we were building, organizing and getting set up. I again apologize. This being a new business, I truly cannot afford to make stupid mistakes and must watch all my expenses. I would greatly appreciate your not accessing the extra late charges this time as it would be a burden on my business.

Thank you for your consideration.

Sincerely,

Bernard S. Orban

President
