Because you were unsuccessful in each attempt to file the 2002 uniform business report online before midnight May 1, 2002, you will need to mail in the original hard copy uniform business report with your payment. Documents submitted through the mail this week will be honored and won't be assessed the late fee. There is no guarantee that documents submitted after this week will be processed without the late fee being assessed.

Thank you. I tried again, but before proceeding to the payment page, I went back to check the data and then couldn't go forward. My Document is again locked 'on-Que', with tracking no. 700005416987, but this time with no payment data.
