I would like to have more information about this corporation. This corporation did not have any transactions or activity, the annual report/uniform business report has not been filed and I paid \$150.00. I am filing dissolution Profit corp. (Attached form).

Please let me know what else should I do to dissolve this corporation. Can you apply the dissolution fees from the filing fee (\$150.00) since the report/uniform business report has not been filed and refund the balance?
