The annual report was not filed on time because the office was severely damaged due to hurricane Charley. The office was not in operation for six weeks after August 13, 2004 and required that we relocate. Our office was told that payment could be remitted on October 1, 2004 without incurring a late fee since we had suffered damage due to the hurricane and we did not receive initial notification of payment. We attempted to send the payment using the online service on several occasions but were unable to due your computer system being unavailable. We mailed payment on October 1, 2004 as directed by your office. Thank you for your understanding during this very difficult time.

Sincerely,

Valerie C. Smart
