7. The purposes for which the corporation is organized, which shall include the authority of the corporation to engage in any lawful business, are as follows:

To have all of the general powers granted to corporations organized under the Florida Business Corporation Act, whether granted by specific statutory authority or by construction of law.

8. The duration of the corporation shall be perpetual.

9. The corporation shall, to the fullest extent permitted by the provisions of the Florida Business Corporation Act, as the same may be amended and supplemented, indemnify any and all persons whom it shall have power to indemnify under said provisions from and against any and all of the expenses, liabilities, or other matters referred to in or covered by said provisions, and the indemnification provided for herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any By-law, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such person. (ii) A transaction from which the director derived an improper personal benefit, either directly or indirectly;

(iii) A circumstance under which the liability provisions of Section 607.0834 are applicable;

(iv) In a proceeding by or in the right of the corporation to procure a judgement in its favor or by or in the right of a shareholder, conscious disregard for the best interest of the corporation, or willful misconduct; or

(v) In a proceeding by or in the right of someone other than the corporation or a shareholder, recklessness or an act or omission which was committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property.

11.. Whenever the corporation shall be engaged in the business of exploiting natural resources or other wasting assets, distributions may be paid in cash out of depletion or similar reserves at the discretion of the Board of Directors and in conformity with the provisions of the Florida Business Corporation Act.

Signed on August 22, 2000
