(v) fail to observe all organizational formalities, or fail to preserve its existence as an entity duly organized, validly existing and in good standing (if applicable) under the applicable Legal Requirements of the jurisdiction of its organization or formation, or amend, modify, terminate or fail to comply with the provisions of its organizational documents;

(xv) make any dividend or distribution to its partners, members, managers, shareholders or directors, as applicable, if doing so would cause it to become insolvent or to fail to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations, provided, however, that the foregoing shall not be deemed to require any partner, member, manager, shareholder or director to make any capital contribution or other equity investment;

(xvi) undertake any of the following without the prior unanimous written consent of all of its partners, members, managers, shareholders or directors, as applicable: (a) file or consent to the filing of any petition, either voluntary or involuntary, to take advantage of any Creditors' Rights Laws, (b) seek or consent to the appointment of a receiver, liquidator or any similar official, (c) take any action that might cause such entity to become insolvent, or (d) make an assignment for the benefit of creditors; without limiting the foregoing, the written consent of the partners, members, managers, shareholders or directors of the Corporation to any of the foregoing shall, for the purposes of this paragraph, require the prior written consent of each Independent Director;

(xviii) fail to pay its own liabilities (including, without limitation, salaries of its own employees) from its own funds or fail to maintain a sufficient number of employees in light of its contemplated business operations (in each case to the extent there exists sufficient cash flow from the Property to do so);

(xix) acquire obligations or securities of its partners, members,

H13000269779 3

managers, shareholders, directors or other Affiliates, as applicable;

(xx) identify its partners, members, managers, shareholders, directors or other Affiliates, as applicable, as a division or part of it; or

(xxi) violate or cause to be violated the assumptions made with respect to the Corporation and its principals in the Insolvency or in any Additional Insolvency Opinion.

(b) There shall at all times be (and the Corporation shall at all times cause there to be) at least one (1) duly appointed member of the board of directors (an "Independent Director") of the Corporation:

(i) who shall be a natural person who is provided by a nationally recognized professional service company;

(ii) who shall have at least three (3) years prior employment experience as an independent director; and

(iii) who shall not have been at the time of such individual's appointment or at any time while serving as an Independent Director, and shall not have ever been (a) a stockholder, member, director or manager (other than as an Independent Director), officer, employee, partner, attorney or counsel of the Corporation or any Affiliate of the Corporation or any direct or indirect equity holder of any of them, (b) a creditor, customer, supplier, service provider or other Person who derives any of its purchases or revenues from its activities with the Corporation or any Affiliate of the Corporation, (c) a member of the immediate family of any such stockholder, member, director, manager, officer, employee, partner, attorney, counsel, creditor, customer, supplier, service provider or other Person, (d) a Person who is otherwise affiliated with the Corporation or any Affiliate of the Corporation or any direct or indirect equity holder of any of them or any such stockholder, member, director, manager, officer, employee, partner, attorney, counsel, creditor, customer, supplier, service provider or other Person, or (e) a Person controlling, controlled by or under common control with any of (a), (b), (c) or (d) above.

As used in this subsection (b), "nationally recognized professional service company" includes Corporation Services Company, CT Corporation, National Registered Agents, Inc., Stewart Management Company, Wilmington Trust Company and Lord Securities Corporation or, if none of those companies is then providing professional Independent Directors, another nationally-recognized company reasonably approved by Lender, in each case that is not an Affiliate of the Corporation and that provides professional Independent Directors and other corporate services in the ordinary course of business.

H13000269779 3

H13000269779 3

As used in this subsection (b), the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management, policies or activities of a Person, whether through ownership of voting securities, by contract or otherwise and the term "controlled" and "controlling" shall have a correlative meaning.

(c) As long as any portion of the Debt remains outstanding:

(i) the directors or managers of the Corporation shall not take any action which, under the Corporation's Articles of Incorporation or Bylaws, requires the unanimous affirmative vote of the Corporation's directors unless at the time of such action there is at least one (1) Independent Director then serving in such capacity and each Independent Director has participated in such vote;

(ii) no resignation or removal of an Independent Director, and no appointment of a successor Independent Director, shall be effective until such successor shall have executed a counterpart to the Corporation's bylaws; provided, however, that no Independent Director shall resign or be removed, and no successor Independent Director shall be appointed unless the Corporation provides Lender with at least fifteen (15) days' prior written notice of any such proposed resignation or removal and the identity of any such successor Independent Director, together with a certification that such successor satisfies the requirements for an Independent Director set forth in this Section;

(iii) in the event of a vacancy in the position of Independent Director, the shareholder(s) or member(s) of the Corporation shall, subject to the preceding clause (ii), appoint a successor Independent Director as soon as practicable;

(iv) to the fullest extent permitted by law and notwithstanding any duty existing at law or equity, the Independent Director shall consider only the interests of the Corporation, including Lender and its other creditors, in acting or otherwise voting on the matters referred to in clauses (a)(xvi) above or (c)(vii)(C) or (c)(vii)(D) below of this Section;

(v) except for duties to the Corporation as set forth in the immediately preceding clause (iv) (including duties to the shareholder(s) or member(s) of the Corporation and the Corporation's creditors solely to the extent of their respective economic interests in the Corporation but excluding (a) all other interests of the shareholder(s) or member(s) of the Corporation, (b) the interests of other Affiliates of the Corporation, and (c) the interests of any group of Affiliates of which the Corporation is a part), the Independent Director shall not have any fiduciary duties to the shareholder(s) or member(s) of the Corporation or any other

H13000269779 3

H13000269779 3

Person bound by these Articles of Incorporation; provided, however, the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing;

(vi) In exercising their rights and performing their duties under these Articles of Incorporation, the Independent Director shall have a fiduciary duty of loyalty and care similar to that of a director of a business corporation organized under the General Corporation Law of the State of Delaware; and

(vii) the Corporation will not:

(A) dissolve, merge, liquidate or consolidate;

(B) except in connection with a sale or other transfer permitted under the Loan Documents, sell all or substantially all of its assets;

(C) amend its organizational documents with respect to the matters set forth in this Section, without the consent of Lender and without the affirmative vote of its Independent Director; or

(D) without the affirmative vote of its Independent Director and of all other directors of the Corporation, take any Material Action with respect to itself or to any other entity in which it has a direct or indirect legal or beneficial ownership interest.

5.2 Standards Governing Actions. To the fullest extent permitted by applicable law, the partners, members, managers, shareholders or directors shall at all times take into account the interests of the Corporation's creditors as well as the interests of its partners, members, managers, shareholders or directors in connection with all matters subject to the consideration or vote of the partners, members, managers, shareholders or directors.

5.3 Indemnification. Notwithstanding any provision hereof to the contrary, any indemnification claim against the Corporation arising under these Articles of Incorporation, the Bylaws or the laws of the state of organization of the Corporation to indemnify its partners, members, managers, shareholders, directors or officers are hereby fully subordinated to its obligations arising under the Loan Agreement, Security Instrument or any other Loan Document and shall only constitute a claim against the Corporation to the extent of, and shall be paid by the Corporation in monthly installments only from, the excess of net operating income for any month over all amounts then due under the Security Instrument and the other Loan Documents.

5.4 Priority of Distributions. The Corporation's assets shall be utilized at all times to satisfy any

5.6 Definitions. Capitalized terms used but not defined in this Article have the meanings ascribed to them in the Loan Agreement. "Material Action" shall mean, with respect to any Person, to institute proceedings to have such Person be adjudicated bankrupt or insolvent, or consent to the institution of bankruptcy or insolvency proceedings against such Person or file a petition seeking, or consent to, reorganization or relief with respect to such Person under any applicable federal, state, local or foreign law relating to bankruptcy, or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of such Person or a substantial part of its property, or make any assignment for the benefit of creditors of such Person, or admit in writing such Person's inability to pay its debts generally as they become due, or declare or effectuate a moratorium on the payment of any obligation, or take action in furtherance of any such action.
