Re: P00000085819

Dear Sir:

On June 20, 2002, we returned the corrected 2002 Uniform Business Report signed by our president, James M. Pawlus accepting the designation. We expecting this would correct the report you returned to us on June 4, 2002. Then on June 27, 2002, we received another request for the new registered Agent to sign accepting the designation. Since we had just mailed the first report a few days earlier and felt they had just crossed in the mail. But, recently we received another 2002 Uniform Business Report reverting back to the 2001 report.

Please explain what is going on. We are enclosing another copy of the first report that was mailed to you on June 20, 2002, a copy of your letter dated June 21, 2002 and a copy of your latest report request. We, again, had our president sign these reports just to show that we are again trying to get this report filed correctly.

As you can see from your letters you have received our check No. 1143 for \$150.00. Since this check was cashed we assumed this report was filed and accepted. Until recently, when we received your additional request, reverting back to the report from 2001.
