Divisions of corporations;

I am informing you that I recently had a conversation with some friends of mine and we were talking about corporations, and the subject came up about filing the UBR report or the uniform business report. I asked what it was and they told me to pull up my corporation on the internet and see if it was filed because it must be paid by May 1st in the sum of \$150.00. So I pulled it up on the internet and nothing said it was completed. I started my corporation in Sept. of 2000 through a lawyer that specifically handles corporations. I never received a statement saying that I owe this money for this document to be filed, or even that the document had to be filed. I thought the lawyer that handled my corporation handled everything. Now after I talked to the lawyers office I found out this document was not filed. I understand now that the UBR is late. Please acknowledge my problem and please accept my payment with the UBR form now. I am positive it will not happen again since I am now informed that this must be filed along with a payment. Also could you advise me of any other forms that must be filed throughout the rest of the year, I would greatly appreciate it. Thank you in advance for your cooperation in helping me with this problem.

Sincerely,

Joseph Kase
