(a) Binding Effect. The execution, delivery, performance and consummation of this Agreement, the Merger and the transactions contemplated hereby will not violate any obligation to which VMC is a party and will not create a default hereunder; and this Agreement constitutes a legal, valid and binding obligation of VMC, enforceable in accordance with its terms, except as the enforcement may be limited by

bankruptcy, insolvency, moratorium, or similar laws affecting creditor's rights generally and by the availability of injunctive relief, specific performance or other equitable remedies.

(b) **Litigation Relating to this Agreement.** There are no suits, actions or proceedings pending or to the best knowledge of VMC threatened which seek to enjoin the Merger or the transactions contemplated by this Agreement or which, if adversely decided, would have a materially adverse effect on the business, results of operations, assets, prospects, agreement or the results of the operations of VMC.

(c) **No Conflicting Agreements.** Neither the execution and delivery of this Agreement nor the fulfillment of or compliance by VMC with the terms or provisions hereof nor all other documents or agreements contemplated hereby and the consummation of the transaction contemplated by this Agreement will result in a breach of the terms, conditions or provisions of, or constitute a default under, or result in a violation of, VMC's corporate charter or bylaws or any agreement, contract, instrument, order, judgment or decree to which VMC is a party or by which VMC or any of its assets is bound, or violate any provision of any applicable law, rule or regulation or any order, decree, writ or injunction of any court or government entity which materially affects its assets or business.

(d) **Consents.** No consent from or approval of any court, governmental entity or any other person is necessary in connection with execution and delivery of this Agreement by VMC and VIP or performance of the obligations of VMC and VIP hereunder or under any other agreement to which VMC or VIP is a party; and the consummation of the transactions contemplated by this Agreement will not require the approval of any entity or person.

(e) **Taxes.** All returns, reports, statements and other similar filings required to be filed by VMC with respect to any federal, state, local or foreign taxes, assessments, interests, penalties, deficiencies, fees and other governmental charges or impositions have been timely filed with the appropriate governmental agencies in all jurisdiction in which such tax returns and other related filings are required to be filed; all such tax returns properly reflect all liabilities of VMC for taxes for the periods, property or events covered thereby; and all taxes, whether or not reflected on those tax returns, and all taxes claimed to be due from VMC by any taxing authority, have been properly paid. VMC has not received any notice of assessment or proposed assessment in connection with any tax returns, nor is VMC a party to or to the best of its knowledge, expected to become a party to any pending or threatened action or proceeding, assessment or collection of taxes. VMC has not extended or waived the application of any statute of limitations of any jurisdiction regarding the assessment or collection of any taxes. There are no tax liens (other than any lien which arises by operation of law for current taxes not yet due and payable) on any of its assets. There is no basis for any additional assessment

of taxes, interest or penalties. VMC has made all deposits required by law to be made with respect to employees' withholding and other employment taxes, including without limitation the portion of such deposits relating to taxes imposed upon VMC. VMC is not and has never been a party to any tax sharing agreements with any other person or entity.

(f) There are no outstanding unpaid promissory notes, mortgages, indentures, deeds of trust, security agreements and other agreements and instruments relating to the borrowing of money by or any extension of credit to VMC, except as previously disclosed to VIP.

(g) There are no outstanding operating agreements, lease agreements or similar agreements by which VMC is bound, except as previous disclosed to VIP.

(h) VMC is not in default of any agreement to which it is a party.

(i) Compliance with Laws. VMC is in compliance with all applicable laws, rules, regulations and orders promulgated by any federal, state or local government body or agency relating to its business and operations. VMC owns all franchises, licenses, permits, easements, rights, applications, filings, registration and other authorizations which are necessary for it to conduct business, all of which are valid and in full force and effect and VMC is in full compliance therewith.

(j) Litigation. To the best knowledge of VMC, there is no suit, action or any arbitration, administrative, legal or other proceeding of any kind or character, or any governmental investigation pending or threatened against VMC, affecting its assets or business (financial or otherwise) and VMC is not in violation of or in default with respect to any judgment, order, decree or other finding of any court or government authority. There are no pending or threatened actions or proceedings before any court, arbitrator or administrative agency, which would, if adversely determined, individually or in the aggregate, materially and adversely affect its assets or business.

(k) Employees. VMC is not in violation of any law, regulation relating to employment of employees.

(l) Knowledge of Adverse Effects. VMC has no knowledge of any existing or threatened occurrence, action or development which could cause a material adverse effect on VMC or its business, assets or condition (financial or otherwise).

(m) Books and Records. The books and records of VMC are complete and accurate in all material respects, fairly present its business and operations, have been maintained in accordance with good business practices, and applicable legal requirements, and accurately reflect in all material respects its business, financial condition and liabilities.

(n) Full Disclosure. All representations or warranties of VMC are true, correct and complete in all material respects to the best of our knowledge on the date hereof and shall be true, correct and complete in all material respects as of the Closing Date as if they were made on such date. No statement made by VMC herein or in the exhibits hereto or any document delivered by it or on its behalf pursuant to this Agreement contains an untrue statement of material fact or omits to state all material facts necessary to make the statements therein not misleading in any material respect in light of the circumstances in which they were made.

5. GENERAL

5.1 Survival of Representations and Warranties. The representations and warranties made by VMC shall survive this Agreement and the date of Merger.

5.2 Specific Performance. Each party's obligations under this Agreement is unique. If any party should default in its obligations under this Agreement, the parties each acknowledge that it would be extremely impracticable to measure the resulting damages; accordingly, the non-defaulting party, in addition to any other available rights or remedies, may sue in equity for specific performance, and the parties each expressly waive the defense that a remedy in damages will be adequate.

5.3 Costs. If any legal action or any arbitration or other proceeding is brought for the enforcement of this Agreement or because of an alleged dispute, breach, default, or misrepresentation in connection with any of the provision of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees and other costs incurred in that action or proceeding, in addition to any other relief to which it or they may be entitled.

5.4 Arbitration. In the event a dispute arises with respect to the interpretation or effect of this Agreement or concerning the rights or obligations of the parties hereto, the parties agree to negotiate in good faith with reasonable diligence in an effort to resolve the dispute in a mutually acceptable manner. Failing to reach a resolution thereof, either party shall have the right to submit the dispute to be settled by arbitration under the Rules of Arbitration of the American Arbitration Association. The parties agree that all arbitration shall be conducted in Miami, Florida, unless the parties mutually agree to the contrary. The cost of arbitration shall be borne by the party against whom the award is rendered or, if in the interest of fairness, as allocated in accordance with the judgment of the arbitrators. All awards in arbitration made in good faith and not infected with fraud or other misconduct shall be final and binding.

5.5 Binding effect. This Agreement shall be binding upon and endure to the benefit of the parties and their respective permitted successors and assigns. Each party

agrees that it will comply with all applicable laws, rules and regulations in the execution and performance of its obligations under this Agreement.

5.6 Governing Law. This Agreement shall be governed by and construct in accordance with the laws of the State of Florida without regard to principles of conflicts of law.

5.7 Entire Agreement. This document constitutes a complete and entire agreement among the parties with reference to the subject matters set forth herein. No statement or agreement, oral or written, made prior to or at the execution hereof and no prior course of dealing or practice by either party shall vary or modify the terms set forth herein without the prior consent of the other parties hereto.

5.8 This Agreement may be amended only by a written document signed by the parties.

5.9 Notices. Notices or other communications required to be made in connection with this Agreement shall be delivered to the parties at such address as may be given from time to time.

5.10 Enforceability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement.

5.11 Execution in Counterparts; Facsimile Signatures. This Agreement may be executed in multiple counterparts, each of which shall constitute one and a single Agreement. Any facsimile signature of any part hereto or to any other agreement or document executed in connection hereof should constitute a legal, valid and binding execution by such parties.
