I spoke with Robin over the telephone and she suggested I write this letter and send you the enclosed check for \$150.00. As I explained to her, she was very helpful, the second notice arrived in the mail last week while I was out of town...I NEVER received the first notice that she said hit the mail back in January. The last thing I need is a late document or late fee penalty with my new incorporated status. This is my 11th year in business and the 1st as a corporation...anything that comes from the State of Florida has always received immediate attention.

I am a very small business where EVERY check counts...had I received the document at the first of the year...I would have gladly paid the \$150.00 vs. facing a \$400.00 penalty.

If I can speak to a manager over the phone or even come to Tallahassee to explain this situation, I will gladly do so. I hope you will give my case consideration and waive my \$400.00 penalty.

Thank you for your consideration and understanding.

Sincerely,

Kevin Forhes
