UBR/Division of Corporations

To whom it may concern:

I deeply regret not filing my UBR on time. El Buen Gusto, Inc. was incorporated on 09/21/00, and it opened for business on 6/21/01. I was not made aware of this yearly fee until my accountant asked about it. We plan to operate this business for many years to come, and will not let this oversight happen again, now that we are aware of this responsibility. If we did not look for counsel before was because the business was not open and we wrongly assume that everything was in order until opening day.

I appreciate your excusing the penalty since it will put a financial strain in the corporation at this time, and we really want to stay active and become profitable.

Sincerely,

Alberto Ramirez  
President

AR/nz

On our first phone conversation to contract us to do their accounting on 6/25/01, I checked sambiz.org and realize that the annual report was not filed. Mr. Ramirez do not recall receiving it and I visit their business and they had only last week's income.

Sincerely,

NELIA ZAMORA (954) 979-4565
