To whom it may concern,

Under instruction by Rosemary Nelson at the Dept. of Revenue in Leesburg FL 352-315-4419 I am requesting that my name be removed as an officer of the above corporation. I have discovered that my name was added to this corporation without my consent and without my knowledge.

I was only an employee of Laura Poulter and managed her design store "Eclectic Lane" in Eustis FL from approx Apr. 2001 through approx Apr. 2002. I have had zero contact with Laura Poulter since that time. I did, however, help Ms. Nelson by investigating the whereabouts of Ms. Poulter and have supplied her with an address and a phone number where she could be found.

If there are any questions you may have please feel free to contact me at 352-568-5433.

Respectfully,

Kim E. Shay
