Re: Response to Notice of Administrative Dissolution or Revocation

To whom it may concern :

I have received a Notice of Administrative Dissolution or Revocation and I am writing this letter to state that Medical Systems Group, Inc. d/b/a PCCG, Inc. did not receive any of the two prior UBR notices that are mentioned in the letter that we should have received.

Medical Systems Group, Inc. is submitting the fee with this letter and the \$ 150.00 to file the UBR. As president I certainly indeed want to continue the corporation and my business. I do not understand how this could have slipped the attention of the company and it's employees. In any case Medical Systems Group, Inc. is requesting that our corporation be reinstated without penalty per this letter of documentation that I did not nor did any one in my company knowingly receive any prior notices of the UBR being delinquent or needing to be filed until now.

Thank your for your time and attention to this matter.

Sincerely,

Christie Hentschl - President
