To Whom It May Concern:

This letter has been prepared to address the issue of our corporate reinstatement. We have been recently made aware of the fact that our corporation has been administratively dissolved due to the fact that an annual report was not filed in a timely manner. I being the registered agent for the corporation should have received notice of any action being taken by the state against the corporation. I, however, was not made aware of any action being taken by the state to remove this company from active status. We did not receive any documentation stating that any thing was wrong. As further proof of this we also did not receive a Certificate of Status from the state. However being made aware of the situation I immediately advised the principals of this company to pay the reinstatement fees. We feel that paying the amount that we would have paid had we known about the status of our company is both reasonable and fair. We ask that you accept said payment as full payment for both the past and present filings. If you have any further questions I can be reached at 305-830-3000. Thank you in advance for your prompt service.

Sincerely,

Ronnie Bass
